

## London script

Tum London land karte ho aur bolte ho “Bas thoda ghoom ke aa jaayenge”

London: Acha? Pehle wallet dikhao

Big Ben dekha

Buckingham Palace dekha

Aur phir realise hua—

Sab kuch paid hai, sirf hawa free hai

British Museum free hai

Par itna chalna padta hai ki

Steps app bole— “Aaj bas kar”

Tube system itna confusing

Ki lagta hai degree chahiye

London Travel Studies mein

Indian ho toh tension mat lo

Veg food mil jaata hai

Bas price dekh ke bolna padta hai—

“Aaj vrat rakh lete hain”

Christmas time pe London full movie scene 🌲 ✨

Lights, markets, vibes

Aur hum thand mein shiver karte hue— “Worth it hai”

Harry Potter fans ke liye

Platform 9¾ is emotion

Bas Hogwarts ka letter abhi pending hai

London expensive hai, confusing hai,

Par vibes aisi deta hai ki

Ek baar nahi, phir-phir jaane ka mann karta hai GB

## South korea Script

Tumne bas ek K-drama dekha...

aur dil direct South Korea shift ho gaya. KR

Dimag mein chal raha hota hai:

Seoul ki lights,

Gyeongbokgung Palace mein hanbok vibes,

N Seoul Tower ka full main-character moment

Sochti hoon Myeongdong ki street food try karungi —

kimchi, tteokbokki, ramyeon

phir Indian stomach bolta hai:

‘Beta sambhal ja’

Fantasy mein Hongdae cafes,

Dongdaemun shopping,

Busan ke Haeundae Beach pe sunset,

Jeju Island ki beaches aur nature

Reality check?

Visa, K-ETA, e-Arrival card...

South Korea bolta hai:

‘Pehle thoda paperwork, phir pyaar’

Language confidence high hota hai,

par aata sirf ‘Annyeonghaseyo’,

baaki Google Translate sambhaal leta hai 🤖 📱

Aur shopping?

‘Bas dekhne aaye the’

phir Myeongdong se nikalte hi

bank balance gayab

Par honestly...

South Korea = culture, food, K-pop, kdrama

aur full main-character energy

Sach batao,

tum bhi Korea jaane ka plan bana rahe ho na?

### **Kerala script**

POV: Life thaka rahi hai aur Google bolta hai – “Kerala jao.”

Welcome to God’s Own Country, jahan green itna zyada hai ki aankhon ko therapy mil jaaye.

Munnar – chai ke gardens, cool weather, aur fresh air jo bolti hai “stress, bhaag ja.”

Alleppey – houseboat life, calm waters, coconut trees, aur main character energy full on.

Kochi – Chinese fishing nets, old streets, aur aesthetic vibes jo feed ko next level le jaaye.

Peace mode on? Wayanad – forests, waterfalls, aur silence jo overthinking ko mute kar de.

Beach lovers ke liye Varkala & Kovalam – sunsets itne sundar ki dil bole “bas yahin reh jaate hain.”

Food check Sadya, appam, fish curry.

Shopping check Spices, tea, coconut oil.

Kerala sirf destination nahi, ek healing trip hai.

Agar sukoon chahiye...

Kerala is calling, don't ignore it.
